LIVING
WITH
LAMINATE**

Laminate is fun, offers wonderful choices, and it looks terrific. No matter what your budget or your style, you will find a product to fulfill your wishes in the Wilsonart® portfolio. New technology and design advances that are ours alone help you create a countertop that is yours alone – a countertop you'll love to come home to every day.

Laminates shown on cover: Island: Carrara Santorini 1855K-55
Countertops: Salentina Nero 1864K-55

Laminate countertops are famous for easy care and superior performance. While other homeowners see everything – peanut butter, tomato sauce, grape juice – as a stain about to happen, you can relax with laminate. And whatever pattern and color you choose, the beauty will be yours at a price you can celebrate. Even more exciting, a new Wilsonart Laminate countertop, all by itself, can transform your kitchen without major remodeling.
